DRAWER FRONT OPTIONS

Refer to the individual Door Style Specifications Pages and the Door & Drawer Front Overlay & Profile Option Chart for standard and optional drawer front availability.

Omega's optional solid wood drawer fronts are described below. The profile you select for the doors will automatically be placed on the drawer front, unless specified. In most cases this is desirable to unify the appearance.

The "IO" profile is designed for inset cabinetry, and is available on drawer fronts only.

SLAB DRAWER FRONT (SLAB)

Available for some door styles as standard. This option is available on other door styles, as indicated, at no upcharge.

ELITE SLAB DRAWER FRONT (ESLAB)

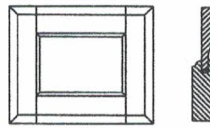

NOT AVAILABLE IN RUSTICS, ALDER, or QTRSAWN OAK. Minimum ESLAB height is 4 13/16". Minimum width is 5 3/4".

DECORATIVE SLAB DRAWER FRONT (DSLAB)

NOT AVAILABLE IN RUSTICS, ALDER, or QTRSAWN OAK. This option is available, where indicated, at a \$34. List per drawer front upcharge. Minimum DSLAB height is 4 13/16". Minimum width is 5 3/4".

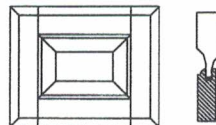

5-PC REVERSED PANEL DRAWER FRONT (5PCF)

Available for some door styles as standard. This option is available on other door styles, as indicated, at a \$52. List per drawer front upcharge.

Minimum wood 5PCF height is 4 13/16" for most door styles. (See the individual door specifications, in this section, for minimum sizes.) Top and bottom rail heights may be reduced. Check Door Style Specification pages for minimums per specific door styles.

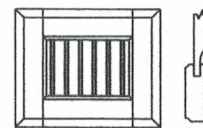

5-PC RAISED PANEL DRAWER FRONT (5PCR)

Available for some door styles as standard. This option is available on other door styles, as indicated, at a \$52. List per drawer front upcharge.

Minimum wood 5PCR height is 6 9/16" for most door styles. (See the individual door specifications, in this section, for minimum sizes.) Top and bottom rail heights may be reduced. Check Door Style Specification pages for minimums per specific door styles.

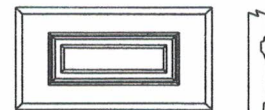

5-PC BEADED DRAWER FRONT (5PCBD)

This option is available on Clayton and Cottage door styles only at a \$75. List per drawer front upcharge.

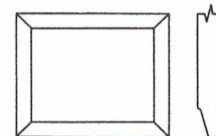

Minimum 5PCBD is 4 13/16". Minimum width is 6 3/4".

1-PC RAISED PANEL DRAWER FRONT (1PCR)

1PCR is a simulated 5PCR for MDF drawer fronts. Minimum 1PCR height is 5 1/8". This option is available, as indicated, at a \$52. List per drawer front upcharge.

IO SLAB DRAWER FRONT (IODF)

This option is available with inset overlay only, as indicated. Included with inset overlay upcharge. Minimum IODF height is 4 13/16".
