

STANISCI DESIGN

Dear Kitchen Professional:

Stanisci Design wants to make sure you received our announcement that the new 2020 library 18A is now available. This library features:

The following new hoods:

- MNY (transitional corbel hood)
- Z200 – Curved hood
- Z300 – Chimney hood
- Hardwood base hoods (no moldings on base)
- New Stainless BAFFLE base hoods – 6 styles available
- New VRSchim- Value line chimney hood

As always our hoods (except for the value line products) can be modified or ordered in nine standard species or a custom species.

You can download the new catalog in the download section of our website which can be found under catalogs. www.wood-hood.com.

If you are unable to download or have any questions at all, please never hesitate to give us a call.

Best regards and good selling.
